

CENTRAL INTELLIGENCE AGENCY
WASHINGTON, D. C. 20505

20 February 1976

Captain Gary Geyer
Buckley Air National Guard Base
Denver, Colorado

Dear Captain Geyer:

I want to thank you for the excellent briefing and tours which you provided my staff and me at Buckley. Your area of responsibility is one which is growing in importance, and one in which I have high interest. The opportunity to hear your clear presentations and to question you was therefore most welcome.

STATINTL

Very truly yours,

A rectangular box containing a signature, likely of George H. W. Bush.
